## Gus Bus Fall Schedule

### Virtual Reading and After-School Programs

The Gus Bus will not be holding any in-person programming this fall, including our Neighborhood Stops.

Although we would prefer to meet with students and families this fall on our usual Gus Bus stop routes, we are excited to host reading and after-school enrichment opportunities on Zoom this fall.

Programs start September 28th and run until December 10th. Learning opportunities occur both before and after school day hours. See the schedule below for more details.
